

Plumy

Questo modello è attento alle nuove esigenze: altezza di schienale e minima profondità di seduta.

Propone eleganza, comodità e tecnologia dando grande valore allo spazio.

Questo divano si distingue per l'armonia delle sue proporzioni e la leggerezza dei suoi volumi, non ultima l'eleganza del particolare piedino in metallo scuro. Nuove linee di eclettica versatilità.

This model is attentive to new requirements: height for backrests and minimum depth on seat.

It offers elegance, comfort and technology giving great value to the environment.

This sofa stands out for the harmony of its proportions and the lightness of its volumes, not least the elegance of the particular dark metal foot.

New lines of eclectic versatility.

Darwin

Dove il valore di un progetto diventa qualità e vera comodità. Questo modello sobrio ma sofisticato, diviene elegante e moderno con la combinazione dei suoi cuscini volanti. Una nuova tecnologia con staffe in fibra di vetro conferisce un nuovo confort allo schienale a sbalzo, rendendolo elastico. Ogni scelta è il risultato di un intelligente processo che ne fanno un complemento di design inseribile in ogni ambiente.

Where the value of a project becomes quality and true comfort. This sober but sophisticated model becomes elegant and modern with the combination of its loose cushions. A new technology with fiberglass brackets gives new comfort to the offset backrest, making it elastic. Each choice is the result of an intelligent process that makes it a design complement that can be inserted in any environment.

• DARWIN (divano/sofa) – L/W 225 × P/D 96 × H 71 cm – pelle/leather: cat. 4 Venice Perle – tessuto/fabric: cat. Super Extra Klee col. 01

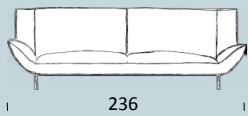

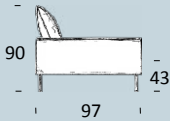

• ASTRO (poltrona/armchair) – L/W 75 × P/D 75 × H 73 cm – pelle/leather: cat. 4 Venice Perle • OTIS (tavolino/coffee tables)
