THE NÆ STYLE

A counter-trend style inspired by dandyism, from which it draws an extraordinary ability to impress the audience with a bold combination of materials and colours, giving life to an ever unexpected and timeless elegance.

Uno stile in controtendenza con le mode del momento, ispirato al dandismo da cui trae la straordinaria capacità di stupire il pubblico con audaci abbinamenti materici e cromatici per dar vita ad un'eleganza imprevedibile e senza tempo.

THE NØ SCENE

Natural and eco-friendly, cork is the undisputed star of the scene: elegant, warm, soft, and even sensual, it has a surprising and chameleon-like ability to be paired with any material or colour. Tricolour wall stripes grants the scene unpredictability, for even greater unconventionality.

Il sughero, naturale ed ecosostenibile, è l'indiscusso protagonista della scena: elegante, caldo, morbido, a tratti sensuale stupisce per la camaleontica capacità di sostenere qualunque accostamento materico e cromatico. La parete rigata tricolore conferisce imprevedibilità alla scena rendendola ulteriormente alternativa.
